

SR Learning & Enrichment Program

SR Sensory Gym | Parent Information

Play-Based • Individualized • Evidence-Informed • Private Pay • Drop-Off

SR Sensory Gym offers a private-pay Learning & Enrichment Program designed to provide children with individualized, play-based opportunities to build skills in a welcoming and engaging environment. This is a drop-off program, allowing children to participate independently during their scheduled program time.

What the Learning & Enrichment Program may include

- Individualized activities based on the child's needs, interests and skill level
- Play-based learning and structured enrichment activities
- Opportunities to practice communication, social interaction, sharing and turn-taking
- Support with following directions, routines, independence and school-readiness skills
- Sensory play, movement, fine-motor and gross-motor activities
- Activities that encourage emotional regulation, confidence and positive peer interaction

Program rate & minimum hours

\$75 per hour. A minimum of 2 program hours per week is required. The 2-hour minimum does not have to be completed at one time. Families may divide the hours across different days based on their child's needs, family schedule and program availability.

Flexible scheduling examples

Example Schedule	Weekly Hours	Weekly Cost
1 hour Monday + 1 hour Wednesday	2 hours	\$150
30 minutes Tuesday–Friday	2 hours	\$150
2 hours on one scheduled day	2 hours	\$150
1 hour × 3 days	3 hours	\$225
2 hours × 2 days	4 hours	\$300
1 hour × 5 days	5 hours	\$375

Flexible Scheduling: Families may choose how to divide their weekly hours. Scheduling is arranged in advance and is subject to program availability.

BCBA observation

Children participating in the Learning & Enrichment Program may be observed by a Board Certified Behavior Analyst (BCBA). The BCBA may observe the child during scheduled program time to provide professional insight and recommendations that can help staff individualize learning and enrichment activities. The program remains a private-pay Learning & Enrichment Program and is not presented as ABA therapy.

Drop-off program

Children are dropped off for their scheduled program time and picked up at the agreed end time. Program expectations, scheduling, payment arrangements and any information needed to support the child's participation will be reviewed with the family before the program begins.
